(801) 664-1991
609 Wymount Terrace, Provo, UT 84604

Education

Facility & Property Management (FPM)
Brigham Young University

GPA: 3.21
December 2010

Skills

Personable, organizational, analytical, and creative

Experience

Teaching/Research Assistant
Dr. Jeffery Campbell, FPM Program Chair
May 2009 to Present

Grade assignments and work with students to help them overcome challenges with the class.
Researched and wrote for Dr. Campbell's new textbook, *Facility and Property Management: A Comprehensive Guide*.
Researched and wrote about indoor air quality in collaboration with ManageMen.

Roofing Assistant
BYU Roofing and Building Envelope
September 2008 to April 2009

Conducted building envelope leak analyses and performed maintenance patch work.
Smoke-tested new building envelopes to prevent energy loss.
Received a BYU Thank You Coin for being proactive in down-time.

Carpenter
Cambridge Builders & Roofing, UT
May 2007 to August 2007

Milled timber-framed decks for a 34-unit condominium project.
Creatively solved a problem at the mill that decreased clean-up time.
Found an opportunity to start a mini-business selling cold beverages to colleagues on the job site.

Assistant Office Manager
Frank Young Construction, UT
February 2006 to April 2007

Prepared and submitted 10-30 daily time cards to general contractor.
Solved problem with time card organization which minimized time lost to paper shuffling.
Co-created a new time card resulting in more efficient time-keeping.
Purchased material and rented small electrical tools.

Blending Technician
Outsourced to Nutraceutix, WA
July 2002 to February 2003

Manufactured probiotic products.
Kept inventory and cleaned production floor and office.

Achievements

2nd Place
Team Competition
September 2009

Led efforts to determine the value in upgrading an existing building to LEED Certification.
